- MERN stack bootcamp

PROJECTS

💼 **Project: *NIKEE* E-Commerce Website (Front-End Only)**

Tech Stack: React.js, Tailwind CSS, React Router DOM, JavaScript (ES6+), HTML5

- Developed a responsive shoe e-commerce website using React.js and React Router DOM for seamless navigation.
- Created reusable UI components styled with Tailwind CSS for consistent and efficient design.
- Designed a mobile-first interface ensuring fast load times and smooth user experience across devices.

💼 **Project: World Atlas (Country Information Portal)**

Tech Stack: React.js, Tailwind CSS, React Router DOM, JavaScript (ES6+), HTML5, REST API

- Developed a responsive web app that displays country data including population, capital, and region using REST APIs.
- Implemented dynamic routing with React Router DOM and added search/sort features for efficient data exploration.
- Designed a clean, mobile-friendly UI with reusable Tailwind CSS components for consistent user experience.

ACHIEVEMENTS

- Secured 2nd position in a college-level web development competition.
