PROFESSIONAL SUMMARY

I am a motivated MERN Stack Developer with a solid expertise in MongoDB, Express.js, React, and Node.js, alongside HTML, CSS, and JavaScript. I excel in creating responsive and user-friendly web applications with a focus on clean UI and robust backend solutions. I am passionate about learning new technologies and continually evolving my development skills to adapt to industry changes and challenges

INTERNSHIP EXPERIENCE

Web Developer Intern

HexSoftwares

15 Feb – 30 Mar 2026

- Contributed to real-world frontend development projects.
- Improved UI responsiveness and enhanced user experience.
- Collaborated using Git and GitHub for version control.

TECHNICAL SKILLS

- **Programming Languages:** C, JavaScript
- **Web Development:** HTML, CSS, Tailwind CSS, React, Redux, Node.js, Express.js, Redis, AWS
- **Database:** MongoDB
- **Tools:** Git, GitHub, VS Code, Postman, MongoDB Compass, Vercel, Netlify, Figma

PROJECTS

Skyfer – Cloud Storage Application

- Engineered a full-stack cloud storage application using the MERN stack with secure file management and scalable architecture.
- Implemented authentication system including login, registration, Google OAuth, password recovery, and input validation using Zod.
- Deployed the application on AWS with React frontend hosted on S3 and CloudFront CDN, while backend services were deployed on EC2 using PM2 and Nginx for process management and reverse proxy.

Codeemy - LMS Platform

- Developed a full-stack Learning Management System (LMS) using the MERN stack (MongoDB, Express.js, React, Node.js) with a modern and responsive UI.
- Implemented RESTful APIs to manage core LMS features such as course creation, enrollment, progress tracking, and content management.
- Built an admin dashboard with data visualization charts to analyze user activity, course performance, and overall platform usage, enabling data-driven insights.

Education

Bachelor of Technology (B.Tech) in Computer Science & Engineering

2023 – 2026

College of Engineering and Management, Kolaghat, West Bengal

Diploma

2019 – 2022

Arambagh Government Polytechnic

Higher Secondary (Class 12)

2019

Chanserpur High School

West Bengal Council of Higher Secondary Education

Secondary (Class 10)

2017

Chanserpur High School

West Bengal Board of Secondary Education

CERTIFICATIONS

- **Web Development Bootcamp**
- **C Programming Certificate**

ACHIEVEMENT

- Secured 2nd position in a college-level web development competition.
